2022-2023

We worked with...

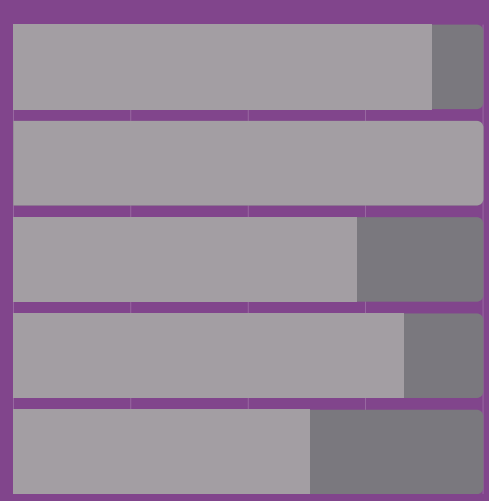

We work in partnership with excellent grassroots organisations and cultural venues to deliver our work. Last year 80% of the artists we worked with were women and 50% from ethnic minorities.

We reached...

We exist to enable all women to flourish, through our productions, podcasts, engagement and training.

Our creative engagement work had this impact...

- 89% felt more creative
- 100% gained a sense of belonging
- 73% felt more confident
- 83% felt able to push themselves and complete things
- 73% felt more able to make positive changes

Feedback we've received this year:

"We loved it. It was very empowering...for every little girl, for every woman, everyone. We're buzzing" - Audience member

"I tried new activities that I have never done before. I was surprised about my hidden skills. I learnt to believe in myself" - Engagement Participant

"Extremely enjoyable and informative. It will have a significant impact on my practice going forward" - Training client
